Anyone wishing games should communicate with Manager Carey at Penobscot street or 'phone 893-13.

W. Meek, the Academy slab artist, huried a remarkable game against the strong Bartlett High team of Webster. Saturday afternoon on the campus, shutting them out without the semblance of a run or a hit. Of the 25 batters that faced him not one reached third base and only five succeeded in reaching first, two of them getting there on passes. Hats off to "Mike" Meek.

But some of the credit should go to his teammates, who supported him like big leaguers, nailing some hard ones, and hitting in fine style. They are beginning to show the results of Coach McKay's efforts and it looks bad for Bulkeley and the rest of the teams remaining on the schedule. It seems as though the fans should back up the boys a little more instead of roasting them when they lose a game or two. In every city but Norwich the school teams and this puts a lot of confidence into the youths.
